

# Certificate IV in Spa Therapies

## Introducing our **CERTIFICATE IV in SPA THERAPIES**

This qualification will be for those of you interested in working in one the special fast growing number of spas on the Central Coast or for those of you wishing to add more of these techniques in your own individual or group practice. The techniques taught are adaptable to most situations. The modules you choose will reflect your aims. Recognition of prior learning will be taken into account. You will also gain a VETAB Certificate IV in Massage Therapy Practice with an extra 50 supervised clinic hours in massage if you wish.

The core modules included in the **Spa Therapies Certificate IV** will be as follows:

- Aromatherapy 1 and 2
- Aromatherapy and Ayurveda
- Massage Therapy Practice 1 Remedial Massage
- Anatomy and Physiology
- Pacific Island Massage, Lomi Lomi and Kahuna
- Sacred Hot Stone Therapy
- Body Exfoliation and Wraps By The Sea
- Beauty Techniques for Massage Therapists
- Communication Arts
- Establishing a Natural Therapies Practice
